2024 starts our third year with Reel Opposites. It's one of our favorite parts of our job and can't wait to continue reviewing movies and hopefully providing you with some entertainment!

## CORNER BOOKSTORE

Let it snow, let it snow, let it snow! Cozy up this winter with a good book or two from the Corner Bookstore. Our featured collections this month include books on health & fitness and self-help. Also highlighted are Westerns. There is a fine selection of Louis L'Amour books and audiobooks as well as other popular authors in the genre.

We are likewise having a terrific sale on DVDs in January. There are classic movies, children's movies, action and romance movies, and just about every other movie genre. Come in and get your favorites for 25 cents a piece! We have anything you might need for your comfy family movie nights.

Donations are always welcome and we look forward to seeing you in the upcoming year. Happy New Year!!

## STAFF PICK

### Josh's Pick

#### The Last Action Heroes: The Triumphs, Flops, and Feuds of Hollywood's Kings of Carnage

by Nick De Semlyen

Nick de Semlyen's informative and boisterous chronicle of the action stars from decades past encapsulates what made their films from this era so memorable - a no-nonsense, breezy, and over the top good time. De Semlyen's spirited book makes you want to dust off the VCR (and maybe practice some spin kicks) and relive the glory days of the unapologetically raucous action films of the 1980's and 1990's.
